## TELL YOUR WORLD LEADER TO ACT

It's time for our leaders to honor – and strengthen – their commitments to climate action. It's time to drop dirty fossil fuels and power our lives and economies with affordable clean energy.

### CHOOSE YOUR MESSAGE TO SEND TO WORLD LEADERS.

- Time to solve the climate crisis. Let's strengthen our commitment to the Paris Agreement.
- World leaders have an obligation to protect people and planet. Honor the Paris Agreement.
- We can, we must, we will act to end the climate crisis. Make the Paris commitment a reality.
